Sub: Notification of cancer as a Reportable Disease in the State of Odisha & Rollout of Population-Based cancer Registry (PBCR)

Ref: Letter No.214/DPH/NCD/401/ 2022 dated 03.02. 2025 of Director public Health, Odisha

Madam/ Sir,

The government of Odisha has declared cancer as a Notifiable / Reportable Disease vide notification No. 23810/H dated 20.10.2022 of the Health & family Welfare Department. In Pursuance to the said notification, all health Institutions, Government and private Hospital, Diagnostic centres and Nursing homes registered under the Clinical Establishments act in Ganjam District are mandated to report cancer- related information for the purpose of the cancer Registry.

In this connection, the population-Based cancer Registry (PBCR) is being implemented in Ganjam district to ensure systematic collection, analysis, and reporting of cancer data. Accordingly, all the Government and private health institutions, hospitals, diagnostic centres, and nursing homes etc are required to furnish details of diagnosed cancer cases as per the prescribed guidelines for effective operationalization of the cancer Registry.

You are therefore requested to ensure timely submission and sharing of cancer –related data in accordance with PBCR guidelines. The reporting formats of PBCR along with a copy of the notification declaring cancer as a notifiable Disease are enclosed herewith for your reference and necessary action.

Further, all institution Heads are requested to provide the said information as per the prescribed format to the undersigned by 10th of every month through email npdcsganjam@gmail.com. This is for your information and necessary action.

Chief District Medical & Public Health Officer
Ganjam

DIRECTORATE OF PUBLIC HEALTH ODISHA

Department of Health & Family Welfare, Government of Odisha

Letter No- 214 /DPH/ NCD/401/2022

Date 03.02.2026

From

Dr. Nilakantha Mishra
Director Public Health, Odisha

To,

The CDM & PHOs of all 30 districts
The Medical Superintendent of all Govt. & Private Medical Colleges & Hospitals
The Director / CEO of all Private Hospitals/ Nursing Homes
The Director / CEO of all Diagnostic Centres

Sub: Notification of Cancer as a Reportable Disease and nomination of staff for training under Population-Based Cancer Registry (PBCR) in Odisha.

Sir/ Madam,

The Government of Odisha has notified Cancer as a Reportable Disease vide Notification No. 23810/H dated 20.10.2022 of the Health & Family Welfare Department. Accordingly, all health institutions, hospitals, diagnostic centres, and nursing homes registered under the Clinical Establishments Act in the State are mandated to share cancer-related information for the purpose of the Cancer Registry.

In this context, the Population-Based Cancer Registry (PBCR) is being rolled out across all 30 districts of Odisha to ensure systematic collection, analysis, and reporting of Cancer data. To facilitate effective implementation of PBCR, a training programme on the Odisha State Cancer Registry Programme is being organized to provide orientation on the Cancer Registry web portal by Tata Memorial Centre in NISER Campus, Bhubaneswar.

Therefore, you are kindly requested to ensure sharing of cancer-related data as prescribed under PBCR and nominate appropriate staff for the training programme to be conducted at NISER, for successful implementation of PBCR in Odisha. The schedule and other details of the training programme will be communicated in due course. Your cooperation in this matter is essential for strengthening cancer surveillance in the State.

Yours faithfully,

Director Public Health, Odisha

GOVERNMENT OF ODISHA
HEALTH & FAMILY WELFARE DEPARTMENT

NOTIFICATION

No. HFW-SCH-NPCDCS-0001-2017- 23810 /H, Dated 20-10-2022

In supersession of this Department Notification No.23536/H dated 19.10.2022 and pursuant to the recommendations of Indian Council of Medical Research (ICMR) it is observed that mandatory Cancer reporting is absolutely necessary for Cancer Prevention, Control and Research Programme in the country.

Whereas the estimation of Cancer burden and its distribution with respect to time, place and person is essential for evidence based planning and mobilizing the resources;

And whereas Cancer registries are not being maintained properly at health facilities and a lot of Cancer cases are remaining un-reported;

Whereas Govt. of Odisha, after due consideration of the matter has also found it imperative that all diagnosed cancer incidences should be reported to the appropriate authority for early detection and treatment of disease;

Whereas the data received on Cancer in the state would be used to frame policy on prevention and control of cancer, expansion of treatment facilities and cancer research and training centers in the State;

Therefore, Government hereby declare that "Cancer" is a "Reportable Disease" in the "State of Odisha" and accordingly, all persons concerned in Hospitals (Private or Government), Pathological, Clinical and Radiological Labs, Institutions imparting Medical Education and providing diagnostic treatment, Palliative Care and any other healthcare related facilities will mandatorily report diagnosed cases of cancer to the respective CDM&PHO and also are required to send the patients for pathological confirmation when he/she becomes cognizant of the existence or suspicion of cancer in patient. The pathologist after confirming the same would complete and send the information in prescribed format to the respective CDM&PHO.

Whosoever is reporting or notifying cancer shall maintain a prescribed register and retain a copy of the complete format that has been submitted to the concerned CDM&PHO for all new cases diagnosed or being treated in the State of Odisha with effect from the date of this notification. This should be done within the period not exceeding two weeks from the date of diagnosis.

The notification would apply to:

- All Medical College & Hospitals (Government and Private);
- All State / Central Government / Private hospitals / dispensaries, autonomous Medical institutions;
- All hospitals covered by ESI, Industries, Railways, Civil / Army and other Central and State Government agencies;
- Any other hospitals / medical institutions not covered above; this includes Ayurveda / Unani / any other facilities.

The diagnosing or treating doctor who becomes cognizant of the cancer disease should ensure that the pathologist should be updated of the clinical details of such patients for the purpose of notifying the disease effectively.

It will be the responsibility of every doctor / pathologist / medical establishment to notify the cancer cases preferably on a real time basis, but not more than two week from date of diagnosis.

The Director, Health Services / Director Public Health / Director, Medical Education, Odisha shall take further action in the matter accordingly.

By order of the Governor

Commissioner-cum-Secretary to Government
