Sub: Notification of Cancer as a Reportable Disease in the State of Odisha & Rollout of Population-Based

Cancer Registry (PBCR).

Ref: Letter No. 214/DPH/NCD/40112022 dated 03.02.2026 of Director Public Health, Odisha.

Madam/Sir,

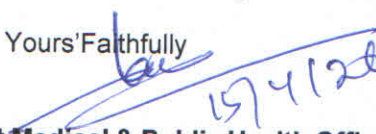

The Government of Odisha has declared Cancer as a Notifiable/Reportable Disease vide Notification no: 23810/H dated 20.10.2022 of the Health & Family Welfare Department. In pursuance of the said notification, all health Institutions, Government and Private Hospitals, diagnostic centres, and nursing homes registered under the Clinical Establishments Act in Jagatsinghpur district are mandated to report cancer-related information for the purpose of the Cancer Registry.

In this connection, the Population-Based Cancer Registry (PBCR) is being implemented in Jagatsinghpur district to ensure systematic collection, analysis, and reporting of cancer data. Accordingly, all Government and Private health institutions, hospitals, diagnostic centres, and nursing homes are required to furnish details of diagnosed cancer cases as per the prescribed guidelines for effective operationalization of the Cancer Registry.

You are therefore requested to ensure timely submission and sharing of cancer-related data in accordance with PBCR guidelines. The reporting formats of PBCR along with a copy of the notification declaring Cancer as a Notifiable Disease are enclosed herewith for your reference and necessary action.

Reports may be sent to the undersigned by 10th of every month through email id- npcdcsjagatsinghpur@gmail.com.

Yours Faithfully

Chief District Medical & Public Health Officer.

Sub: Notification of Cancer as a Reportable Disease and nomination of staff for training under Population-Based Cancer Registry (PBCR) in Odisha.

Sir/ Madam,

The Government of Odisha has notified Cancer as a Reportable Disease vide Notification No. 23810/H dated 20.10.2022 of the Health & Family Welfare Department. Accordingly, all health institutions, hospitals, diagnostic centres, and nursing homes registered under the Clinical Establishments Act in the State are mandated to share cancer-related information for the purpose of the Cancer Registry.

In this context, the Population-Based Cancer Registry (PBCR) is being rolled out across all 30 districts of Odisha to ensure systematic collection, analysis, and reporting of Cancer data. To facilitate effective implementation of PBCR, a training programme on the Odisha State Cancer Registry Programme is being organized to provide orientation on the Cancer Registry web portal by Tata Memorial Centre in NISER Campus, Bhubaneswar.

Therefore, you are kindly requested to ensure sharing of cancer-related data as prescribed under PBCR and nominate appropriate staff for the training programme to be conducted at NISER, for successful implementation of PBCR in Odisha. The schedule and other details of the training programme will be communicated in due course. Your cooperation in this matter is essential for strengthening cancer surveillance in the State.

Yours faithfully,

Director Public Health, Odisha
