(DISTRICT PROGRAMME MANAGEMENT UNIT, NHM)
E-mail ID: nhmnab@gmail.com / ncdnab@gmail.com

Letter No: 3567

Date: 13-04-26

To

The Directors / Superintendents / In-Charge

All Public & Private Hospitals, Nursing Homes and Clinical/Pathological Labs, Nabarangpur District.

Subject: Mandatory notification of all diagnosed Cancer cases as a "Reportable Disease" - Reg.

Reference: Government of Odisha, Health & Family Welfare Department Notification No. 23810/H, dated 20-10-2022.

Sir / Madam,

In reference to the subject cited above, I am to inform you that the Government of Odisha, Health & Family Welfare Department, has officially declared "Cancer" as a "Reportable Disease" within the State of Odisha.

This critical step has been taken pursuant to Indian Council of Medical Research (ICMR) recommendations, as accurate estimation of the cancer burden and its distribution is essential for evidence-based planning, mobilizing resources, framing prevention policies, and expanding treatment and research facilities. It has been observed that cancer registries are currently not being properly maintained, leading to numerous unreported cases.

Therefore, in accordance with the aforementioned government notification, all private medical establishments are directed to ensure strict compliance with the following mandates:

- **Mandatory Reporting:** All private hospitals, pathological, clinical, and radiological labs, institutions imparting medical education, and facilities providing diagnostic treatment or palliative care must mandatorily report all diagnosed cases of cancer to the office of the CDM&PHO.
- **Reporting Timeline:** It is the responsibility of every medical establishment, doctor, and pathologist to notify cancer cases preferably on a real-time basis, and strictly within a period not exceeding two weeks from the date of diagnosis.
- **Record Maintenance:** Your institution must maintain a prescribed register for reporting or notifying cancer and retain a copy of the complete format that is submitted to the CDM&PHO for all new cases diagnosed or treated.
- **Clinical Coordination:** Diagnosing or treating doctors must send the patient for pathological confirmation upon suspicion or cognizance of

cancer. Furthermore, the doctor must ensure that the pathologist is updated with the patient's clinical details to notify the disease effectively.

- **Submission Format:** Upon confirmation, the pathologist must complete and send the required information in the prescribed format to the undersigned through E-mail (ncdnab@gmail.com) in the format attached in Annexure-A.

Please note that this directive applies to all private hospitals, dispensaries, autonomous medical institutions, and any other healthcare facilities (including Ayurveda and Unani) operating within the district.

You are requested to immediately sensitize all doctors, pathologists, and concerned administrative staff within your establishment to prioritize this requirement and ensure seamless, timely reporting of all cancer cases.

Yours faithfully

Chief District Medical and Public Health Officer
Nabarangpur, Odisha

GOVERNMENT OF ODISHA
HEALTH & FAMILY WELFARE DEPARTMENT

NOTIFICATION

No. HFW-SCH-NPCDCS-0001-2017- 23810 /H, Dated 20-10-2022

In supersession of this Department Notification No.23536/H dated 19.10.2022 and pursuant to the recommendations of Indian Council of Medical Research (ICMR) it is observed that mandatory Cancer reporting is absolutely necessary for Cancer Prevention, Control and Research Programme in the country.

Whereas the estimation of Cancer burden and its distribution with respect to time, place and person is essential for evidence based planning and mobilizing the resources;

And whereas Cancer registries are not being maintained properly at health facilities and a lot of Cancer cases are remaining un-reported;

Whereas Govt. of Odisha, after due consideration of the matter has also found it imperative that all diagnosed cancer incidences should be reported to the appropriate authority for early detection and treatment of disease;

Whereas the data received on Cancer in the state would be used to frame policy on prevention and control of cancer, expansion of treatment facilities and cancer research and training centers in the State;

Therefore, Government hereby declare that "Cancer" is a "Reportable Disease" in the "State of Odisha" and accordingly, all persons concerned in Hospitals (Private or Government), Pathological, Clinical and Radiological Labs, Institutions imparting Medical Education and providing diagnostic treatment, Palliative Care and any other healthcare related facilities will mandatorily report diagnosed cases of cancer to the respective CDM&PHO and also are required to send the patients for pathological confirmation when he/she becomes cognizant of the existence or suspicion of cancer in patient. The pathologist after confirming the same would complete and send the information in prescribed format to the respective CDM&PHO.

Whosoever is reporting or notifying cancer shall maintain a prescribed register and retain a copy of the complete format that has been submitted to the concerned CDM&PHO for all new cases diagnosed or being treated in the State of Odisha with effect from the date of this notification. This should be done within the period not exceeding two weeks from the date of diagnosis.

The notification would apply to:

- All Medical College & Hospitals (Government and Private);
- All State / Central Government / Private hospitals / dispensaries, autonomous Medical institutions;
- All hospitals covered by ESI, Industries, Railways, Civil / Army and other Central and State Government agencies;
- Any other hospitals / medical institutions not covered above; this includes Ayurveda / Unani / any other facilities.

The diagnosing or treating doctor who becomes cognizant of the cancer disease should ensure that the pathologist should be updated of the clinical details of such patients for the purpose of notifying the disease effectively.

It will be the responsibility of every doctor / pathologist / medical establishment to notify the cancer cases preferably on a real time basis, but not more than two week from date of diagnosis.

The Director, Health Services / Director Public Health / Director, Medical Education, Odisha shall take further action in the matter accordingly.

By order of the Governor

Commissioner-cum-Secretary to Government
